WHAT DOES THIS LABEL MEAN?

The High-Quality Whale Watching Label, recognized by the state, distinguishes dolphin and whale watching operators in the Mediterranean who are committed to environmental excellence:

- > Respectful approaches to cetaceans.
- > Naturalist outings with an educational focus.
- > Participation in research programs.
- > Trained personnel on board.
- > Waste sorting on board.

WHAT ARE THE APPROACH RULES?

- > Swimming with cetaceans is prohibited.
- > Aerial detection is prohibited.
- > Observation time is limited (between 15 and 30 minutes).
- > Limited approach in the presence of newborns.
- > Approach is interrupted at the first signs of disturbance.
